

Our work in Industry includes all manner of industrial processes in addition to industrial buildings infrastructure. Activity would have included targeting the 'end client' and various specifiers, engineers, consultants, contractors and FM's for new build, refurbishment, maintenance and retrofit opportunities.

CLIENT	TYPE	BUSINESS AREA
Aggreko UK	Manufacturer	Temporary Power & Climate Control
Airius Europe	Manufacturer	Thermal Destratification
Alstom	Manufacturer	Automation & Controls
Ambirad Group	Manufacturer	Heating & Air Curtains
Armcell	Manufacturer	Technical Insulation
Crawford UK	Manufacturer / Contractor	Industrial Doors & Loading Bay Equipment
Daikin	Manufacturer	HVAC
Ecotherm	Manufacturer	Insulation
Efficient Air	Contractor	Energy Management of Cooling Systems
Evo Energy	Contractor	Solar PV
Filtration Engineering Ltd	Contractor	Specialist Air Quality Solutions
HMK Specific Environments	Contractor	Clean Rooms
Honeywell ED&S	Manufacturer	LED Lighting & Controls
Honeywell Process Solutions	Manufacturer	Energy Efficiency, Automation & Control
Jet Environmental	Manufacturer / Contractor	Temperature Control Solutions
JS Humidifiers	Manufacturer	Humidification Systems
Kingspan Energy	Manufacturer	Solar PV
Munters	Manufacturer	De-Humidification Systems
Parker	Manufacturer	Motion & Control Technologies
Polygon	Contractor	De-Humidification Systems (Hire)
PowerTechnique	Manufacturer	Power Generation
Resin Surfaces Ltd	Manufacturer	Resin Flooring
Schneider Electric	Manufacturer	Energy Efficiency, Variable Speed Drives
Sembcorp Utilities - Protection	Contractor	Emergency Management & Business Continuity
Speedy Hire Plc	Contractor	Industrial Equipment - Hire
TTF Air Conditioning	Contractor	HVAC & Refrigeration
Yokogawa	Manufacturer	Industrial Automation & Control
